"Pray without ceasing....."

Monday Haiti : For those suffering injury and illness, the bereaved, the orphans and homeless. For wisdom, protection and strength for all aid workers. Give thanks for God's love in action amid the chaos and fear.

Tuesday Pray for the government of Spain and the communities in which we live - for enlightenment and harmony that all may work together for justice and peace. Pray for those experiencing difficulties in the ongoing financial climate.

Wednesday Colin and Frances ask that we pray for Bulgaria - that Christians there may continue to feel the joy and peace of God as their government takes measures to restore it's full EU funding.

Thursday Praise God for His constant care of our families, pray for caring relationships and generosity of spirit within them. Pray for family members and friends who find faith difficult.

Friday Pray for God's healing touch on all those known to us who are mentally or physically ill, for those bound by destructive addictions, the bereaved, the lonely, and for those who find the complexities of life too much to bear.

Saturday Father of all, we thank and praise you that when we were still far off you met us in your Son and brought us home, and that our security is in you. We pray for all who are homeless here on earth.

Sunday Praise God for His presence in our lives through the past week and that we can worship Him freely today. Pray for church leadership teams and congregations meeting along the Costa Blanca today
