"Lord, teach us to pray."

Monday For all those affected by the extreme climatic conditions; the bereaved, homeless, sick and hungry. For those involved in the rescue and care of earthquake survivors as they rebuild lives and communities.

Tuesday For peace in our world. That leaders may grow in wisdom and demonstrate compassion. For all those seeking direction for their lives, and those who are trying to sort out their priorities.

Wednesday For your forgiveness, Lord, because our asking far outweighs our thanking. Help us to recall Your many blessings and answers to prayers Keep us firm in our faith when days seem dark or when our minds are disorientated.

Thursday Help us put into practice our vision to 'Love God, love people and serve the world'; show us how best to serve our communities. Cleanse us from all that limits our loving and caring.

Friday In this season of Lent we pray that we may find time to receive God's word, amend our lives and be open to the graceful filling of the Holy Spirit. As we rest and trust in God may we be willing to share our lives with others.

Saturday We remember our friends working in our link missions in Zimbabwe and Bulgaria. We pray for Christians who must worship in secret or risk persecution.

Sunday Give thanks for the faithful service and commitment of our Pastor and leadership team. Grant them wisdom to lead our witness. Pray for our service this morning and for provision of a manse.
